

POWERBUILT

Overhead Conveyor Rack Transfer Assist

* **Problem:**

(2) Operators manually transferring racks between overhead conveyors

* **Solution:**

A custom lift assist allowing (1) operator to ergonomically to transfer racks

- * No touch controls system
- * Rail & tool braking system
- * LED light for part illumination

- * Operator force exertion less than 2lbs to raise/lower part
- * 130lb capacity tool
- * Programmable limits and speed reduction zones
